

Apprenticeship in Warehousing and Storage

LEVEL: 2

DURATION: APPROX. 6 - 12 MONTHS

building better lives

Introduction

This practical, work-based course develops your skills and provides qualifications relevant to your job.

This course is ideal for...

anyone currently employed in a warehousing environment who would like to develop their performance through hands-on training.

Course outline

- Level 2 NVQ in Warehousing and Storage
- Level 2 Certificate in Warehousing and Storage Principles
- Level 1 Application of Number
- Level 1 Communication
- Employment Rights and Responsibilities workbook

How will I learn?

You'll learn through your day to day work and on-the-job training. You will be assessed on your ability to carry out your responsibilities at work. You will receive flexible, one to one support which is planned to meet your individual needs.

What skills and knowledge will I develop?

- Effective communication
- Practical warehousing
- Health and safety systems and procedures.
- Improved literacy
- Improved numeracy
- Your employment rights and responsibilities

How will I be assessed?

1. Observation of your performance in the workplace supported by discussions and questioning.
2. Online assessments and exams (technical certificate and key skills).
3. A portfolio of evidence which could be either paper-based or electronic.

Why choose this course?

This flexible course is tailored to your individual needs. It allows you to develop your competence, confidence and self-esteem. You will also improve your knowledge and understanding of your job role.

You will gain a relevant nationally recognised qualification.

Will I need any special equipment?

No. However if you choose to create an electronic portfolio you will need access to a computer and the internet.

Personal protective equipment (PPE) will be provided where necessary.

How do I apply?

Huddersfield
