

Venture (Foundation Learning)

ENTRY LEVEL: 1

DURATION: APPROX. 30 WEEKS

building better lives

This programme is ideal for...

learners aged 16-18 who are not in education, employment or training. The Venture programme gives you the chance to try out work tasters in local companies. You can choose which areas of work you try. You can improve your reading, writing and number skills. You'll also learn how to improve your chances of getting a job.

Course outline

Venture can help you in lots of ways.

You can join Venture at any time and take the time you need to complete your course. Your work will be specially designed for you, so that you get just what you need. You might need to get better at reading or managing your money, or perhaps you need to build your confidence. Maybe you need to work on your interview skills or plan your career.

Together we'll plan the right course for you. Plus you'll get the chance to find out what it's like to do different jobs in real companies.

How will I learn?

You'll learn in different ways:

- work experience with local employers
- working on your own or in groups in our learning centres.

Our trained staff will give you all the support you need.

How will I be assessed?

1. We will watch you at work in the workplace.
2. We'll ask you questions and talk with you about your work.
3. You'll build a portfolio of your work. Your portfolio can be paper-based or online.

If you choose, you can take online assessments and exams or work towards certificates.

Why choose this course?

CMS Venture learners do extremely well. We link up with many different local companies. We also give every learner the support they need to succeed.

Will I need any special equipment?

No. Our training centre will provide all the equipment and materials you need. We'll even supply you with basic workwear and protective gear where necessary.
